

2018 Public Works Construction Project Summary

Pavement Rehabilitation on 20th Street SE from 3rd Avenue SE to 11th Avenue SE (J7316)

Project start date is yet to be determined; however, the project is expected to be completed in 2018

This road rehabilitation project will repair deteriorated concrete pavement and refresh pavement markings.

Project Benefits

The quality of the ride along this section of roadway will be restored by replacing deteriorated concrete pavement sections and smoothing the surface of faulted concrete panels.

Project Location

Construction Impacts

Impacts to vehicle traffic:

- One lane of traffic will be maintained in each direction at all times during construction.

Impacts to pedestrians:

- Pedestrian facilities will be maintained on one side of the street at all times. When a sidewalk is closed, pedestrians will be detoured at intersections to the opposite side of the street.

Project Cost and Funding

The \$1,000,000 project is being funded by Municipal State Aid Funds and Olmsted County Funds.
